The Shack Harris & Doug Williams Foundation is a 501(c)(3) non-profit, tax-exempt organization founded by Grambling State University Tigers and NFL quarterback pioneers Pro Bowl MVP James "Shack" Harris and Super Bowl MVP Doug Williams.

Since its inception in 2005, the Foundation has awarded more than \$300,000 in support of economically and physically challenged youth for after-school initiatives, leadership development, mentoring programs and minority higher education assistance. The Foundation assisted more than 100 families affected by Hurricane Katrina and has made grants to the Eddie Robinson Museum at Grambling State University, Shreveport-Bossier Community Renewal and Shreveport Public Assembly & Recreation, among others. The Foundation also has established the Black College Football Hall of Fame.

Doug Williams was the first African American quarterback to start in a Super Bowl, setting several Super Bowl passing records with the Washington Redskins. He also was the first African American to win a Super Bowl and be named the game's Most Valuable Player.

James "Shack" Harris was the first African American to be a full-time starter at quarterback in the NFL and the first to lead a team to playoffs. He also was the first to be a Pro Bowl quarterback and Pro Bowl MVP with the Los Angeles Rams. Sports Illustrated named him one of the most influential minority people in sports.
